

RAMTHA'S SCHOOL OF ENLIGHTENMENT PRESENTS

Create Your Year 2008

The Ramtha technique for Creating Your Year, as Create Your DaySM, is a unique science and powerful tool. You will learn how to move into the future and review your upcoming year in a fabulous two-day workshop.

You will learn:

- How nature creates its upcoming year
- How to move to the part of the brain that has access to the future
- How to Create Your New Year in parts, using the four seasons
- How to neutralize any objections to a Remarkable Year for you
- How to reinforce the manifestations of the New Year on a daily basis

Open to the Public!
Open to Current Students!
